ANNOUNCEMENTS

Norwich Town Sale.

Norwich Town Sale.

Iutely fresh.

The eggs were kept on the farm under ordinary conditions. Some were stored in parlors, some in kitchens, some in cellars and some in pantries. Some eggs were put in nests, some under laying hens, some under setting hens. In every instance an equal number of fertile and infertile eggs were subjected to the same conditions.

A week later the eggs were collected and sold to a local grocery store, where they were candled. They were then shipped to St. Louis and again candled.

This is a daring adventure story where intrigue blends with romance and gives Hamilton a role in which he is seen at his magnetic best. The story tells of how Jimmy Baxter, a dynamic young American, smuggles a cargo of munitions right under the eyes of the revolutionists of a Central American republic to he rightful government and republic to he rightful government and epublic to he rightful government and were marketed during one week last were bels. To achieve his ends he poses as a patent medicine salesman and sells a preparation known as Pepwith the aid of this marvelous remedy he is enabled to cure the entire army of their revolutionary ideas and week.

Week.

Get rid of the rooster. Produce only restores the rightful government. Not only does he gain the gratitude of the president but he also wins the love of loss every year. he president's beautiful daughter. For the second feature. Tom Mix will be seen in Fighting for Gold. This picture is a hurricane of action and adventure and Mix does many stunts, for no Mix play would be complete without them.
A Harold Lloyd comedy entitled

DAVIS THEATRE.

There will be a complete change of Pearl street to the house owned cogram at the Davis today and the Odd Fellows on Haley street.

Saturday, at the home of Mr.

Wednesday and Thursday and you don't want to miss one episode, for they are better each week. The litter-national News a weekly of up to the minute events from every part of the globe, and a funny Lyons and Moran comedy completes the show.

Wednesday and Thursday and you don't know a some to make a some and was taken to film of crowd wars a former Mystic bey and has been so i'h for several years. The graduating exercises of the Broadway grammer school were held.

AUDITORIUM.

Teday and tomorrow The Tokie iris company will offer for their second presentation the musical sensa-tional bill The Devil and Mike Reilly, an entirely different musical bill, showing the interior of Hades with all its imps and ghastly surroundings. It would make anyone willing to pay a visit to see such pretty imps that dwell there. All the production was espeand presentation the musical sensa-

tra added feature will be vaudeville's big hit. The New Chief of Police, which is based on true facts and some of the lines that are read strike home, and with the big feature picture of Tom with the big feature picture of Tom with the big feature picture of Tom Mix in A Child of the Prairie makes up a bill that is hard to beat. Remember there are matinees daily at the coolest spot in Norwich, at the Auditorium. I'll say so; so does every-See Little Mike the monk famous mascot of the Yankee division.

AGRICULTURAL INTERESTS Continued from Page Eight)

Lime is fundamental to agricultural development. The belief that it is needed only to correct acidity of the soil seems to have been relegated to the limbo of the past. Acidity is a mere incident. Whether a soil is acid carrie E. Rogers, of Washington, at or not does not seem to matter so the latter's summer home on Mystic much. It is what lime does for the

was formerly said that soils derived from limestone rock and con-taining broken bits of limestone could not possibly need lime, but the crops have snoken otherwise.

The Tennessee station results show that lime performs well not only for

Soy, beans, cowpeas, orchard grass, timothy and redtop are all in the lime-loving class and respond profitably to applications of it.

SAVE FUEL FROM LOG HEAPS.

Look forward to next winter's supply of wood. In many narts the old-time custom still prevails of burning valuable cordwood in log heaps fol-lowing the clearing up of new land. Thousands of farmers must provide themselves with wood for next win-

ABINGTON

The Ladies' Aid society an.d Red Cross will hold a joint meeting on Thursday afternoon, at Library hall. Elmer Chase has a new runabout.

The Tennessee station results show that lime performs well not only for legumes but for grain crops. Two tons of lime in five experiments showed up on alfalfa two tons better to the acrestian the unlimed land. Eleven series of experiments with red and alsike clovers average 2.31 tons per acre on limed land and 1.43 tons on unlimed of the clovers are not such heavy feeders and do not give such marked differences.

Numerous experiments have been conducted with lime on corn. In 12 series of experiments the limed land led the unlimed six bushels to the acrestin experiments the limed land series of experiments during eight years, two tons of ground limestone accounted for an average increase of nine bushels a year over the check plot.

Thursday afternoon, at Library hall Elmer Chase has a new runabout. Miss A new runabout. The legal voters in Town Meeting of the Town of Norwich are thereby warned to the most of the summer vacation.

Rev. and Mrs. F. A. Fuller, Miss Avery and A. H. Amidon attended the ministers' conference in Hampton on Monday, June 23.

Nelson Platt has motored to Thompsonville Tuesday to attend the graduation exercises of the high school.

Miss Alice Mauler from Waterbury is visiting her sister, Mrs. C. K. Paul. Last Tuesday evening twenty-four of Wolf Den grange members, "sited Plainfield grange, the degree team giving the third and fourth degrees. TO RENT—Two furnished cottages, after July 1st, on the hillside of Houghton's Cove. Phone 1893-13.

THEN CANNOT PAY.

And now they whine, "We cannot pay." In part

They speak the truth. One single broken heart
for years!

Nor can taey pay for all the blinding tears.

Shed by the wives and mothers of the slade. THEY CANNOT PAY. I have a few good young sound horses that are well acclimated and horses that are fitted for any kind of work. Also dump carts and farm wagons, harness, light and heavy, new and second hand.

If in need of carettin is a low for the houghton's Cove. Phone 1893-13. Jees the hillside of least should be horse that are fitted for any kind of work. Also dump carts and farm wagons, harness, light and heavy, new and second hand.

If in need of carettin is the blinding to the hillside of least should be horse in pay for all the blinding should be least should be horse in the lillside of least should be least

Twas Danish Mary picked them up Out of the air and sea: A shoddy, trudging lollypup A-trapsing slatternly.

And toward the hollow sky rose prayer
And dirge of steeple-chime;
But what should Danish Mary care?
She takes her own sweet time.

And bawls to Lewis Butt: "It's me!
I've picked 'em up—your men."
"What'—Grieve and Hawker?"
Goes shambling on again. But lightning engines fiash and fight For news that reaps renown.

The jackies swarm from bay and bight
And race to run her down.

And win, and bear the prize away—
While Mary turns to prowl
Once more where slips the dumb, sait And ships her on the jowl. Percy Mackeye, in the New York Times.
